

STATEMENT OF CLARIFICATION BY DINKY JULIANO-SOLIMAN

I would like to clarify the statements attributed to me concerning the statements made by Cardinal Rosales in July of 2005. In the book *Crossover Leadership in Asia: Staying Whole in Two Halves*, on page 161, I narrated the circumstances, which I believe led to the decision of GMA to say, "I am sorry". It stated that a close aide of GMA told me that Cardinal Rosales wanted to meet with GMA. It was in that meeting that the Cardinal encouraged GMA to tell the truth about the Garci tapes.

It was in another meeting, the evening of July 7 in Malacanang that Cardinal Rosales asked GMA to resign. Four other Bishops were with him. All five of them know this to be true. This information has been volunteered to me by a very reliable source who was present at that time, the identity of which I am not at liberty to disclose.

I am issuing this clarification to remind all those involved of the dates and time that these events occurred. It is truth-telling time.
